

5th General Population and Housing Census (RGPH5)

The RGPH5

To better know the population residing in Benin

The RGPH5

For statistics in the service of development

The RGPH5

For sustainable and balanced development

The RGPH5

For more inclusive development

Technical and Financial Partners

After the first edition in 1979, 2023 sees the

fifth edition of the RGPH

This census makes it possible to establish the legal populations of each administrative district and to better measure demographic changes and changes in society.
