note: Division 1 (aimag) 2010 census population numbers are total population sums; Divisions 2-17 are 'citizens only' (resident population).

note: Mongolian is written in Cyrillic; transcribing it to Latin creates some difficulties due to the one to one relation between Cyrillic and Latin characters. For instance the Cyrillic "ГО" is transcribed as "gobi" or "govi". I try to use, as much as possible, the version used by the Mongolian Statistical Office.

note: Area of Tsagaannuur included in Nogoonnuur.
